The names of the County Clerk for Persons with Disabilities is supplied by e-mail correspondence between providers for County Government, State Government, Regulatory Bodies and other local authorities in accordance with the Act / Policy / Guidelines issued by State Authorities from time to time.

Although increasingly studies are attempting to look at the health issues for persons with disabilities, much less attention has been paid to the issue of health-related quality of life. The purpose of this study was to examine the health-related quality of life of persons with disabilities who are employed in the United States. The study included 1,200 persons with disabilities who were employed in the United States. The study included 1,200 persons with disabilities who were employed in the United States.
